Clubhouse Corner

From Brian Lee, General Manager (gcmgr@genevacc.com)

Greeting Members -

Can you believe this weather we have had over the last few months? Just last week I saw a lot of golfers still enjoying the golf course on those 50-60 degree days! I know it will the snow will be falling soon enough, but maybe because of the warm days we've had we'll have a short winter? Wishful thinking, but I'm going with it. If you do need a little warm up, we hope you will look to Geneva to come out and enjoy the fire in the lounge with your favorite cocktail or one of Chef's fantastic meals in the dining room.

The holidays will soon be in full swing and I hope that everyone had a great Thanksgiving with their friends and families. I want to send out a big THANK YOU to all of those members that continue to support the Club year after year. Without you, we wouldn't be doing as well as we are doing. Thank you for your continued support.

I would also like to take this opportunity to thank all of the local businesses and corporations in Muscatine that continue to support Geneva. You know who you are and we appreciate the continued business and hope to be serving you for years to come.

A special thanks to the Board of Directors for their continued support and hard work over the last year. We are doing great things at Geneva and it's great to have a board that supports not only me, but the membership as well.

2011 has been a great year at Geneva. Let's continue this great success into 2012 and beyond!

Have a safe and happy holiday season.
Brian

From the Golf Shop

From Steve Hutton, PGA Golf Pro

With winter now upon us, we bid farewell to another golf season here at Geneva. It was another exciting year and we are already looking forward to next year. With that in mind, we encourage those of you with suggestions on how we can improve our service to you, or have ideas for new events or how to make our regular events better, drop us a note or an email. We try our best to come up with fun formats that every golfer can enjoy, but we would like your input as well.

If you are in charge of setting up your company's golf event or social function, I would ask that you give us a chance to earn your business. We can set up your event with as little as two people. I would love to get your event on the club calendar as soon as possible!
