## General Manager's Report

Brian Lee, General Manager

Greetings Members,

Welcome back to Geneva! The holidays and shut down were a nice break, but we're back and ready to get 2012 started. It has been good to see everyone back in house and enjoying their Club. Keep coming out and warming up in the lounge or bring the family out for dinner. Geneva is a great place to be.

Here at Geneva Golf & Country Club, we want to provide our members with the best experience possible. This includes serving our members in a timely manner. We want your dining experience to be the best in town. Part of being able to make that happen is to know how many members will be dining with us in an evening. The kitchen also makes preparations based on the number of reservations for that day. They work hard to prepare not only the entrees fresh, but the sauces and side dishes as well.

Making a reservation is imperative to having a great dining experience, so I just wanted to take this time to reiterate that to everyone. Reservations are much appreciated.

We are coming off a great year at Geneva, actually one of the best years we have ever had here at the Club. We hope 2012 will bring the same great success. There will be some great events this year, so be sure to watch your emails.

I know I am excited for 2012. I have a lot going on and am soon to be a new Dad. This is going to be one of the most exciting years for me and I hope it is for all of you too.

Cheers to a great 2012! Hope to see you all very soon.

Brian
